## The Progress Report

I am thankful to everyone, who provided assistance support to Manahil and Anaiah John, with free tuition, for the past 24 months, through various fundraising campaigns listed below. In March 2018, both sisters were promoted, and Manahil is in 10<sup>th</sup> grade, and Anaiah is in 5<sup>th</sup> grade at Christian Angelique school in Pakistan. Uproot may have to stop this cause by March 2019, if fundraising is not adequately raised.

Their tuition receipts up to 31 December 2018, and the report cards are available on the website.

Uproot recently received a pledge of \$1,000 from Allstate Insurance, for Manahil's surgery, which is expected by March 2019.
